Travel: A special thank you to the 20 people who joined us on the St. John River Cruise...the bus ride was long, but I think everyone agreed it was a fun day and we were back a little bit after 6:00 PM. The boat was very clean and nice, the servers and entertainers were great, and the food was something else...don't think anyone had any complaints. They started out with pasta salad, and all kinds of fruit and then sticky buns to die for...the lunch menu was prime rib, tropical chicken, chicken parm, salmon, and a large chicken salad, with good hot rolls and butter and a great cake for dessert. I think everyone cleaned their plates and enjoyed it. Thanks again to everyone who traveled with us, **Don and Mary Lou and Bev and Jim**, your travel coordinators.

See you all next week, as we will be in Columbus, Ohio for Don's son's 60th birthday and his wife's 50th. All the family is expected along with guests, so it should be a great weekend. -- **Mary Lou**
